

Virtual Investigative Interview Training Platform

About LAW-TRAIN

LAW-TRAIN is a **training platform** for law-enforcement officers that offers the ability to train interviewers and teams in a **virtual** environment. Funded by the **Horizon 2020** programme, LAW-TRAIN is a multinational project, for creating a new and **innovative** way of training of interviewers for **joint-investigations**.

Key Benefits

We were developing a **cost effective**, **multinational**, and **highly realistic** virtual training platform using **newest technologies** of VR/AR and AI to improve the interviewing skills of law enforcement teams working jointly on **international** inquiries.

Key Innovations

- **Mixed Reality** (VR and AR) and **Artificial Intelligence Simulator** of an investigation environment
- **Virtual Suspect** that can be interviewed by trainees from various countries
- **Virtual Trainer** that can provide automated, standardised feedback to trainees
- **Human Trainer** who observes the training and provides real time feedback to the trainees
